## Chronic Myeloid Leukaemia

An update in 2022

Saturday, 1st October 2022

7.00 pm onwards

**Guest Speaker**

### **Dr. Vivian G Oehler**

- She is Associate Professor in the Clinical Research Division at Fred Hutchinson Cancer Research Center (Fred Hutch) and in the Division of Hematology at the University of Washington School of Medicine.
- She is also a practicing physician at the Seattle Cancer Care Alliance (SCCA).
- At the SCCA, she sees patients with chronic myeloid leukemia (CML), acute myeloid leukemia (AML), and myeloproliferative neoplasms.
- Her translational research explores mechanisms that contribute to disease progression and therapy resistance in these diseases and is examining new therapies in the treatment of CML and AML through an active portfolio of clinical trials.
- She has authored more than 50 peer-reviewed articles and served as Principal Investigator for over 30 active or past research grants.
- She is a member of the American Society of Hematology and the Southwest Oncology Group and serves on the NCCN Chronic Myeloid Leukemia Panel.

Live webinar
