Guest Speaker

Dr. Nicolas Martinez-Calle UK

Dr. Nicolas Martinez-Calle, MD, MSc, PhD(c), is currently a consultant Hematologist in Nottingham University Hospitals NHS Trust with a special interest in CLL and lymphoma.

He completed his medical degree in Colombia at La Sabana University in 2008 and his specialty training in Spain at the Navarra University Clinic in 2015.

He is currently completing his PhD studies at Navarra University in the field of epigenetics and DNA methylation.

He was granted the Celgene-SEHH (Spanish Society of Haematology) scholarship in 2015 for completion of his PhD work.

He was an Honorary Clinical Assistant Professor at Navarra University school of Medicine from 2014-2016 and has prior experience working in pharmaceutical industry as a new product medical advisor during 2008-2009.

He is an active member of the European Haematology Association and the British Society of Haematology.

His main research interest is CLL.

He has been Sub-Investigator of more than 30 clinical trials in lymphoma and CLL and currently principal investigator of 3 studies currently recruiting in Nottingham in both CLL and lymphoma.

He has authored or co-authored over 25 relevant publications in the field.
