Pyruvate Kinase Deficiency

Saturday, 22nd October 2022

Speaker:

Dr. Rachael F Grace

- Dr. Rachael Grace is a Pediatric Hematologist at the Dana-Farber/Boston Children's Cancer and Blood Disorders Center.
- She is an Associate Professor at Harvard Medical School in Boston, Massachusetts.
- She is the Medical Director of the Hematology Clinical Research Program at Boston Children's Hospital
- She is a recipient of the Blanche P. Alter Investigatorship in Hematology.
- She received her MD from Brown University and received Master's in medical science from Harvard Medical School.
- She completed her pediatrics residency at Boston Children's Hospital and pediatric hematology/oncology fellowship at the Dana-Farber/Boston Children's Cancer and Blood Disorders Center.
- Her clinical and research interests are focused on improving outcomes of children with immune cytopenias and rare congenital hemolytic anemias.
- She is the director of the pediatric ITP Consortium of North America (ICON), a group of over 50 sites in North America focused on improving ITP care for children.
- She developed the global "Pyruvate Kinase Deficiency Natural History Study" and has provided leadership in clinical trials for treatments for children and adults with pyruvate kinase deficiency.

Pyruvate Kinase Deficiency

Saturday, 22nd October 2022

Scientific Agenda

- **Welcome note and introduction of guest speaker**

Dr. M. B. Agarwal, Mumbai

- **Guest lecture** Subject: Pyruvate Kinase Deficiency
Speaker: Dr. Rachael F Grace, Boston, USA
-

- **Interactive session with Indian discussants**

Moderator: Dr. M. B. Agarwal, Mumbai

Discussants: Dr. Abhilasha Sampagar, Belgavi

Dr. Akshaya Mandloi, Kolkata

Dr. Amit Jain, Mumbai
