Speaker

Guest Speaker

Dr. Mohd. Rizwan Shaikh

Assistant Professor Hematology
Seth GSMC and KEM Hospital
Mumbai

- Dr. Mohd Rizwan Shaikh completed his MBBS from LTM Medical college, Mumbai, followed by MD medicine from Seth GS Medical College, Mumbai.
- He specialized in clinical hematology obtaining a DrNB from the prestigious Rajiv Gandhi Cancer Institute and Research Centre, Delhi.
- He has deep interest in the field of Hemato-oncology, particularly in the treatment and management of AML and BMT.
- He has contributed extensively to the understanding and application of individualized AML induction therapy based on patient fitness.
- **His key contributions include:**
 - **a.** Venetoclax in AML published in the American Journal of Hematology in 2021.
 - **b.** Individualized Induction Therapy published as an abstract in ASH.
 - **c.** As a Research Consultant to ImmunoACT, he collaborates with leading clinicians across India to improve overall outcomes in CAR-T cell therapy.
- His work is widely recognized in international journals, with multiple publications on cutting-edge treatments and emerging therapies in the field of hemato-oncology.
- His commitment to improving patient care, both through clinical practice and research, continues to shape the future of hematology in India.
