Guest Speaker

Dr. Ankit Raiyani

Consultant Hematologist and
BMT physician
QURE Hematology Oncology clinic
Ahmedabad

He completed post-graduation in General Medicine from Lokmanya Tilak Hospital, Sion, Mumbai.

During his 3 years training of DNB Hematology at Sahyadri Hospital, Pune, he acquired extensive experience in managing both benign and malignant hematological disorders.

He has performed more than 400 autologous and allogeneic bone marrow transplant procedures for various hematological disorders.

Currently, he is working at Qure Hematology Oncology Centre, Ahmedabad with attachments with various Multispeciality Hospitals.

His primary interests are in bone marrow transplants in both benign and malignant haematological disorders.

He has published several papers and done oral and poster presentations at various national and international conferences.

He is a reviewer for many reputed national and international journals in the field of hematology.
