Guest Speaker

Dr. Satish Kumar A

Clinical Haematologist and
Hemato-Oncologist
Manipal Hospital
Yeshwanthpur
Bangalore

- Dr. Satish Kumar A is a Consultant Hematologist, Hemato-Oncologist, and Stem Cell Transplant Physician with over 18 years of experience in the diagnosis and management of diverse hematological disorders.
- He completed his MD in Internal Medicine from KMC Hospital, Manipal, and went on to pursue a DM in Clinical Hematology at the renowned KEM Hospital, Mumbai.
- He further specialized with a fellowship in Leukemia and Stem Cell Transplantation at Vancouver General Hospital, Canada.
- Dr. Satish Kumar has been associated with Manipal Hospital, Yeshwanthpur, Bangalore (formerly Columbia Asia Hospital) since 2008 and has also been consulting at the Millers Road branch since 2021.
- He is actively involved in academic teaching and has delivered numerous lectures and educational sessions, both in-person and virtually, at regional and national forums.
- He has several scientific publications to his credit and maintains a keen interest in chronic lymphocytic leukemia (CLL), lymphoproliferative disorders, and multiple myeloma.

Chief Guest

Dr. Pankaj Dwivedi

Fellowship in Paediatric Oncology
Fellowship in Bone Marrow Transplant
Senior Consultant and head
department of pediatric oncology
National Cancer Institute
Nagpur

- Dr. Pankaj Dwivedi is a dedicated Paediatric Hematologist and Bone Marrow Transplant physician with 14 years of experience in the field.
- He completed his MBBS and MD in Paediatrics from G.R. Medical College, Gwalior, laying a strong foundation for his clinical career.
- To further specialize, he pursued a Fellowship in Paediatric Hemato-Oncology at Tata Memorial Centre, Mumbai.
- He also completed an advanced Fellowship in Bone Marrow Transplant from Tata Memorial Hospital, Mumbai.
- Dr. Dwivedi gained valuable international exposure while working in the Department of Pediatric Hematology Oncology at the National University Hospital in Singapore.
- He is working as Senior Consultant and Head of Department in Paediatric Hemato-Oncology at the National Cancer Institute, Nagpur.
- Over the years, he has actively participated in numerous national and international CMEs and conferences in the field of haemato-oncology and oncology.
- His core areas of interest include Thalassemia, Sickle Cell Disease, Acute Leukemias, Neuroblastoma, and Hematopoietic Stem Cell Transplantation.
- With his compassionate approach and expertise, Dr. Dwivedi remains committed to advancing pediatric cancer care and improving outcomes for children with hematological and oncological disorders.
