

under the aegis of
Mumbai Hematology Group

Thursday, 1st October 2026 | 06:30 pm onwards

Subject 1: 06.30 pm (IST) onwards

MRD and its role in treatment of acute leukemias

Dr Arijit Nag

Senior Consultant
Department of Clinical Hematology and
Cellular Therapies
Tata Medical Center
Kolkata

Subject 2: 07.30 pm IST (US Eastern time: 10.00 am)

Thrombocytopenia, Pathophysiology and Treatment

Dr. David J. Kuter

MD, DPhil
Professor of Medicine
Harvard Medical School
Distinguished Physician
Massachusetts General Hospital, Boston, MA

Subject 3: 08.30 pm (IST) onwards

Mitigating CAR-T Toxicities

Dr. Neeraj Sidharthan

DM (Hematology - 2010),
MD (General Medicine),
DNB (General Medicine)
Clinical Professor and Head
Clinical Hematology & Stem Cell Transplant
Amrita Institute of Medical Sciences, Kochi

Guest Speaker

Dr Arijit Nag

Senior Consultant
Department of Clinical Hematology and
Cellular Therapies
Tata Medical Center
Kolkata

- Dr. Arijit is a member of the adult hematology disease management group at Tata Medical Center.
- He is a Clinical investigator with interest in therapeutic approaches in Myeloid malignancies and stem cell transplantation.
-
- His research centers around developing better MRD detection tools and risk-adapted treatment protocols for Acute myeloid and lymphoblastic leukemias.

Guest Speaker

Dr. David J. Kuter

MD, DPhil
Professor of Medicine
Harvard Medical School
Distinguished Physician
Massachusetts General Hospital
Boston, MA

- Director, Center for Hematology, Massachusetts General Hospital.
- He received his undergraduate degree from Harvard College and his D. Phil. in Biochemistry while a Rhodes Scholar at Oxford University, before obtaining his medical degree from Harvard Medical School.
- Dr. Kuter divides his time between medical education of fellows and medical students, clinical care of patients with a wide range of hematological disorders, and clinical research of thrombopoietic agents.
- His basic science group was one of the labs that discovered thrombopoietin and his clinical research group carried out seminal studies using thrombopoietic agents in transfusion medicine and immune thrombocytopenia (ITP).
- Dr Kuter is recipient of a number of awards, including the Irving London Teaching Award at Harvard Medical School, the Alfred Kranes Teaching Award at the Massachusetts General Hospital, the Douglas Family Foundation Prize for Research (2008 and 2010) at Massachusetts General Hospital, the Jane Green Memorial Prize for Teaching at the Massachusetts General Hospital, and the 2013 Earnest Beutler Award from the American Society of Hematology.
- He has given over 500 invited lectures in over 50 countries and served as Visiting Professor in Beijing, Sydney, Tokyo, London, Durham, and New Haven.
- Dr Kuter has authored or co-authored over 300 articles published in international peer-reviewed journals such as The Lancet, The New England Journal of Medicine and Blood.

Guest Speaker

Dr. Neeraj Sidharthan

DM (Hematology - 2010),
MD (General Medicine),
DNB (General Medicine)
Clinical Professor and Head
Clinical Hematology & Stem Cell Transplant
Amrita Institute of Medical Sciences
Kochi

- He has over 17 years of clinical experience in the field of Hematology & Bone marrow transplantation.
- His core specialties include Bone Marrow and Stem Cell Transplantation, Medical Oncology, and CAR-T cell therapy.
- He leads a team that has performed over 200 transplants since the programme's launch in January 2013, including the state's first haploidentical and matched-unrelated-donor transplants.
- **Special training**
 - 2005 to 2010: Blood and Marrow Transplant at Christian Medical College, Vellore.
 - 2008 to 2010: Clinical Flow Cytometry at Christian Medical College, Vellore.
- **Achievements**
 - 2010 : Tamilnadu MGR Medical University medal in Clinical Hematology for the year 2010.
 - 2005 : Professor T. K. Raman Memorial Gold Medal for the best postgraduate student in General Medicine in 2005, University of Keralam, Thiruvananthapuram.

Memberships of Professional Societies

- European Hematology Association.
- Asia Pacific Hematology Consortium.
- Indian Medical Association.

Scientific Agenda

Welcome note and introduction of guest speaker
Dr. M. B. Agarwal, Mumbai

Guest lecture

Subject 1: **MRD and its role in treatment of acute leukemias**

Speaker: **Dr. Arijit Nag, Kolkata**

Subject 2: **Thrombocytopenia, Pathophysiology and Treatment**

Speaker: **Dr. David J. Kuter, Boston, USA**

Subject 3: **Mitigating CAR-T Toxicities**

Speaker: **Dr. Neeraj Sidharthan, Kochi**

Interactive session with Indian discussants

Moderator: **Dr. M. B. Agarwal, Mumbai**

Vote of thanks: **Dr. M. B. Agarwal, Mumbai**
