Dr. Priyanka Mehta

BSH Administrator
British Society for Haematology
London, UK

- Dr. Priyanka Mehta is a Consultant Haematologist.
- She is highly qualified to provide expert haematology care, with extensive experience spanning benign, malignant and laboratory haematology, as well as a strong focus on red cell disorders, leukemias, MDS and MPN.
- Her leadership roles as Clinical Lead for Haematology at University Hospitals Bristol NHS Trust and Lead for the Leukemia service demonstrate advanced clinical responsibility, while her involvement as Principal Investigator in multiple clinical trials reflects a strong commitment to research and access to innovative treatments.
- In addition, her laboratory expertise, educational supervision, and active professional memberships support her ability to deliver evidence-based, comprehensive and patient-centered care.
