New York, NY, USA

**Speaker**

# Guest Speaker

## Dr. Cindy Neunert, MD MSCS

---

Section Head  
Pediatric Hematology  
Columbia University Medical Center  
New York, NY, USA

Section Head, Pediatric Hematology, Columbia University Medical Center (CUMC), New York, USA

She did fellowship from University of Texas Southwestern Medical Center

She is an expert in benign hematological disorders.

Her areas of research and specialization include immune thrombocytopenia, hemostasis, thrombosis and sickle cell disease.

She is involved with the Intercontinental Cooperative ITP Study Group, which is an international study group advancing knowledge regarding the natural history of ITP in children and adults.

She is author of the American Society of Hematology 2019 guidelines for immune thrombocytopenia.

She was past chair of the Pediatric ITP Consortium of North America (ICON) which is a group of 40 pediatric centers conducting studies on the biology of ITP as well as the conduct of patient-related and interventional trials.

She now serves as the Co-chair for the interventional sub-committee.
